

Information about the daycare centres KITA KIWIS and KITA PINGUINE

The daycare centres run by Giessen Student Services

The KITA KIWIS opened its doors on Oktober 2009 on the Cultural Studies and Social Sciences Campus of Justus-Liebig-University Giesen. Since November 2016 the second daycare centre KITA PINGUINE takes care of children on the Campus Giessen of Technische Hochschule Mittelhessen.

Both daycare centres provide **all-day care**. Opening hours:
Mon - Thu 07:30 - 18:15 (Aug/Sept 07:30 - 17:00), Fri 07:30 - 14:30

The children will be looked after by six educational experts and one social work volunteer. Both children and their parents feel at home in the centre's bright, modern and friendly rooms. A large outdoor area offers children plenty of space to play and enjoy exercise in the fresh air. The daycare centres can be visited by appointment. The daycare statutes and fees of the city of Giessen are applicable.

A written **application** is mandatory – you can find the registration form under www.kita-kiwis.de or www.kita-pinguine.de. Also online registration is possible - you can apply for a place for your child via the parents' portal www.little-bird.de/Giessen.

If you have any questions about the application please contact the Family Service Office/Familienservicestelle of the Giessen Student Services: Fr. Schreiber, 0641-40008166, familienservice@studentenwerk-giessen.de
